

Case Study

TEMPTING TRANSLATIONS ON FOOD AND BEVERAGES

Client

A leading hospitality company

ABOUT OUR CLIENT

This leading hospitality company offers world-class hotel accommodation spanning over 1,000 rooms and suites. A wide selection of premium dining and leisure options is available within the resort, featuring some of the most prominent brand names in the world.

MYL's MISSION

High-volume, time sensitive translation done efficiently and accurately.

OUR SOLUTION

MYL worked with this leading hospitality company in response to the client's need to work with an organisation that is experienced in hospitality translation and could manage 250,000 words in the fastest turnaround time.

MYL's special projects team managed high-volume translations quickly and efficiently, and executed its urgent translations requirements for its policies and procedures for food and beverages. The leader of MYL's special projects team managed a team of translators to execute the project, with final drafts reviewed and standardised by a primary translator to ensure accuracy and consistency.

RESULTS

MYL's special projects team produced accurate and high-quality results upon client demand. The turnaround time for this 250,000 word project was eight weeks, and MYL delivered one week ahead of schedule.
